STRATEGIC ACTION PILLAR

BUILD A CONNECTED AND COLLABORATIVE COMMUNITY FABRIC

Our strong sense of community makes us special, but how do we strengthen the fabric that binds us together?

Our adopted **Town Vision** directs us to **provide** mechanisms for building trust, **explore** a 'nodes and modes' concept, and **connect** to external stakeholders.

Join us as we write ***Our Plan*** to share your ideas, expertise, or time to help knit together a thriving social fabric on Hilton Head Island.
