a. Key Committee Goals for 2011

Chairman Harkins invited the committee members and members of the public to engage in a discussion of the subjects they would like to focus on in the year ahead and the key goals for the committee with respect to the community.

Discussion followed regarding traffic congestion, speeding, safety of pedestrians and bicyclists in crosswalks, and increased crime activity on the Island. Captain Toby McSwain explained the Sheriff's Office ongoing efforts to address the above issues.

b. Beaufort County Sheriff's Office Areas of Focus for 2011

Captain Toby McSwain stated the Sheriff's Office priorities are the Sheriff's Office Building, additional cameras to gather information to aid investigators, and timely processing of Special Events Permits.

Mr. DeLoach gave an overview of the Special Events permit application process to the committee.

Mr. Harkins asked if the Town regulates the fees charged by towing companies, and if it does not, would like to look into doing so. Mr. DeLoach explained a Town Ordinance would need to be enacted to regulate fees. Staff was directed to review the best practices of other towns faced with this situation and report back what might be helpful on Hilton Head Island.

Mr. Harkins stated that the following items are a priority for the committee during the upcoming year.

1. Identify/improve intersections and crosswalks for the benefit of pedestrians and bicyclists;
2. Develop quantifiable goals with respect to crime reduction in the areas of North Forest Beach, South Forest Beach and Mathews ;
3. Hold a community gathering with property owners, rental agencies, law enforcement and town officials to exchange information and ideas;
4. Sheriff's Office building needs;
5. Identify additional locations for stationary cameras which record information that may be used by law enforcement in criminal investigations;
6. Coordination of Special Events for the benefit of spectators and participants;
7. Regulate fees charged by companies for towing vehicles.

UNIFORM CRIME REPORT

**TOWN OF HILTON HEAD
4TH QUARTER 2010**

DATA SOURCE/CRITERIA

All law enforcement agencies in the state compile incident-based data on crimes occurring in their jurisdiction. While one incident can result in multiple offenses being tracked in the local system, only data that meets the national criteria is forwarded to the SC Law Enforcement Division.

Currently if a burglary is reported and property stolen, two offenses are tracked locally but only the major crime, burglary, is reported using the South Carolina Incident-Based Reporting System. This data is collected by SLED and then forwarded to the FBI, which administers the Uniform Crime Reporting (UCR) program.

The Beaufort County Sheriff's Office will begin using the UCR criteria to account for crime in this report so that it will more closely match the data published by the FBI.

Crimes Against Persons will include Murder, Aggravated Assault, Robbery and Forcible Rape.

Crimes Against Property will include Burglary, Larceny and Auto Theft.
Vehicle Collisions will remain the same as they are not reportable UCR crimes.

This report is based only on the crimes that occurred on Hilton Head Island.
