DATE	December 4, 2013
SUBJECT:	Workshop with Arts Consultants: Presentation by The Cultural Planning Group

On December 11th at 4:30pm, there will be a workshop lead by The Cultural Planning Group (CPG) to discuss the arts collaboration project.

To date:

- There have been two week-long site visits by CPG staff comprising numerous interviews with the arts groups and other organizations (both for-profit and non-profit).
- Six Community Conversations have been conducted during one of the site visits to seek input from the public and arts organizations membership.
- A web-based survey was conducted seeking public input on a series of questions regarding the arts, role of the Town, and role of the Community.

The Workshop will present findings from these events to Council. The purpose of the Workshop will be to test a series of ideas to further direct CPG in the drafting of the final plan. CPG staff will present a few scenarios and approaches on possible roles of the Town, funding for the arts organizations, ATAC committee, and other issues in the Request for Proposals. This is intended to be a workshop format with full discussion of ideas.

No materials will be sent with the packet in advance of the workshop.
