1. Call to Order

2. Freedom of Information Act Compliance

Public notification of this meeting has been published, posted, and mailed in compliance with the Freedom of Information Act and the Town of Hilton Head Island requirements.

3. New Business

a) Program for Public Information – Request for recommendation to Town Council for approval of the Program for Public Information. As a recommended activity of the Community Rating System (CRS), and in an effort to maintain the reduced flood insurance costs to its residents and to provide flood-related information to property owners through a coordinated outreach program, the Town has developed the Program for Public Information (PPI). Because there are people who are not aware of flood insurance requirements or may not see a need to insure their property, a Flood Insurance Coverage Assessment and Coverage Improvement Plan will also be incorporated into the PPI. When having an outreach program and flood insurance coverage improvement plan, it is recommended by the CRS program to have all of the activities, educational opportunities and materials assembled in a coordinated document. The goal of the PPI is to better inform the public about their flood risks, how to improve their flood hazard preparedness, what they can do to decrease future damage and the benefits of having flood insurance coverage for both the structure and contents.
