NOTE: THIS TRANSMITTAL IS NOT PART OF ADDENDUM NO. 2.

ADDENDUM No. 2

**TOWN OF HILTON HEAD ISLAND, SC
2016 BEACH RENOURISHMENT PROJECT**

Date Issued: 3 September 2015

Bid Date (Time): 16 September 2015 (2:00 pm)

Engineer: Olsen Associates, Inc.
2618 Herschel St.
Jacksonville, FL 32205
(904) 387-6114
Fax: (904)-384-7368

THE BID DOCUMENTS ISSUED 19 AUGUST 2015 ARE HEREBY AMENDED AS FOLLOWS:

- 1.) **Section A-4a, Contractor's Bid Bond:** The Contractor's Bid Bond does not need to be countersigned by a Local Resident Producing Agent.
- 2.) **Construction Plans, Sheet 25 of 27:** An incorrect vertical shift has been identified in the hydrographic data for the Barrett Shoals borrow area that was used to estimate the available sand volumes represented in the bid documents. The shift have been corrected and the estimated sand volume contained within the Barrett Shoals borrow area has been revised. This revision has resulted in an increase in the estimated available sand volume at Barrett Shoals. Accordingly, the Barrett Shoals borrow area has been revised to include only Zones 1, 2, and 3 show in the Plans. The table of Estimated Volumes Available for the Barrett Shoal borrow area shall be revised as follows:

Estimated Volume Available above -20' NGVD29	
Borrow Zone	cubic yards
BRZ1	1,065,000
BRZ2	473,000
BRZ3	1,200,000

- 3.) **For informational purposes only:** Additional project information has been uploaded to the web URL <http://olsen-associates.com/public/hiltonhead/>

This includes (1) x,y,z, data for the beach and borrow areas, (2) post-project summary reports for the 2006/07 and 2012 Hilton Head beach renourishment projects, and (3) a PDF of the project Plans (revised on 9/3/2015). This additional information is not formally associated with the bid advertisement or bid documents. Should you choose to use any of the information, you do so at your own risk. The Town of Hilton Head Island and Olsen Associates, Inc. assumes no responsibility for the use of the information in this electronic file by a bidding contractor.
