TOWN OF HILTON HEAD ISLAND

Finance Department

TO: Finance and Administrative Committee
VIA: Marc Orlando, *Town Manager*
VIA: Josh Gruber, *Deputy Town Manager*
FROM: John M. Troyer, *Director of Finance*
DATE: April 20, 2021
SUBJECT: Town of Hilton Head Island Financial Update

Recommendation:

Staff recommends that Finance Department continue to monitor Town Revenues and Expenditures and to provide monthly updates to the Finance & Administrative Committee for their review and discussion.

Summary:

As part of the pandemic response, Town Management identified the importance of monitoring revenue and expenditure items in a pandemic environment. Close monitoring can provide the ability to respond timely to changing economic realities.

In order to provide Town Council as clear a picture of the Town's revenue collections and financial position, I plan to give Finance and Administrative Committee an update during the April 20, 2021 meeting of the committee. I plan to give an overview of year-to-date results for the nine months ending March 31, 2021. This will give the Finance and Administrative Committee a continuing look at Town financial position, and provide a forum for discussions. We will continue those discussions monthly to ensure the Town is appropriately positioned in this economic environment.

Background:

As Town Council considered the proposed budget for FY 2021, one issue at the forefront of the discussion was the economic uncertainties due to the impact of the COVID-19 pandemic. How long will the pandemic last? What kind of impact will this have on our revenue collections and our spending? Town Council recognized that once a budget was adopted for FY2021, continuing the close monitoring of the revenue collections and spending would be especially important this year.
