a) Fiscal Year 2023 Capital Improvement Program

Jennifer Ray reviewed the FY23 Capital Improvements Program and list of both Carry Forward Projects and Proposed New Projects for each category and stated the recommendation today is that the Planning Commission-CIP Committee make a recommendation to the Planning Commission for Priority Projects for consideration by Town Council as part of their FY23 Capital Budget review process. The role of the

Planning Commission is to prepare an annual listing of projects for consideration by Town Council as they develop their budget each year.

After discussion, Commissioner Henz motioned that the Committee move the list of priority projects forward to the Planning Commission with the following changes. Add Extend pathway from Greens Shell Park to the new Ford Shell Ring Park with connection to the Rowing & Sailing Center; Pathway improvements on South Forest Beach; Move Dillon Road improvements up to top priority in Roads. Commissioner Alfred seconded. The Motion passed with a vote of 4-0.

8. Adjournment

The meeting was adjourned at 3:34 p.m.

SUBJECT: Capital Improvement Program Fiscal Year 2024 Priority Projects

RECOMMENDATION:

That the Planning Commission's Capital Improvement Program Committee make a recommendation to the Planning Commission on priority projects for consideration by Town Council as part of their Fiscal Year 2024 (FY24) Capital budget review process.

BACKGROUND:

Staff facilitates meetings with the Planning Commission's Capital Improvement Program (CIP) Committee annually regarding potential priority projects for the upcoming fiscal year. The Planning Commission's CIP Committee makes recommendations to the Planning Commission. The Planning Commission's recommendations are provided to Town Council prior to their budget deliberations, which are tentatively scheduled to occur in May 2023.

SUMMARY:

The State's enabling legislation assigns the Planning Commission the duty to prepare "an annual listing of priority projects for consideration by the Town Council prior to their preparation of the capital budget." A list of proposed priority projects for FY24 has been prepared for consideration based on the status of FY23 projects, projects on the most recent recommended priority list from Planning Commission, and the input of the Parks and Recreation Commission (PRC), Bike Walk HHI, and staff.
