Accommodations Tax Funds Request Application

Organization Name: Rotary Club of Hilton Head Island Charitable Foundation

Project/Event Name: Quench Buggy

Executive Summary

Our previous ATAX grant from last fiscal year was 40,000. We raised the additional 31,000 to purchase the Quench Buggy from major donors i.e., Community Foundation of Lowcountry, Rotary Club of Hilton Head, Nature Conservancy, Outside Foundation, Sea Turtle Patrol, South Atlantic Bank, Keep Beaufort County Beautiful. Plus, an additional \$8838 from miscellaneous donors. We have a balance of approximately \$4739. Approximately \$2500 will to be used for 'wrapping' the Quench Buggy with the logos of the Town of Hilton Head, Community Foundation of the Lowcountry and Rotary. We are also incorporating a Fill It Forward QR code sponsored by the Chamber of Commerce of Hilton Head and Bluffton.

Measuring the effectiveness of the ATAX is quite clear when you review our schedule. We received the Quench Buggy July 1, 2025, later than expected. Delays in parts and tariffs kept the delivery date changing. Within weeks, logistics were developed to run the Quench Buggy so we could provide filtered cooled water to the attendees our first event; "Keep the Broad Creek Clean". We are now scheduled for the Lowcountry PaddleFest the weekend of September 5th and have booked the calendar for September and October as well as most of November with events. Plus, we have booked many events already for 2026! So measuring the effectiveness of the ATAX has been remarkable just by the fact we have already booked so many events for this year and even 2026! Our event calendar hasn't even gone "live"! The Lowcountry Environmental Club has received many inquiries and acolytes providing drinking water while reducing single plastic bottles. Such a great service to our tourists while supporting our environmental initiatives on our island.

We can easily fill out a ATAX Effectiveness Measurement next year once we have these events completed in 2025 and 2026. The possibilities are endless! We are encouraging local businesses to promote refillable water bottle or cup solutions as we tackle the never ending "plastic soup" that affects our waterways that surround us. Thank you for this opportunity to highlight our community's leadership in environmentally conscious decisions. Our beautiful surrounding habitats will thank us all.

31, 2026

Event Location(s): Hilton Head Island, SC

Total Budget: \$ 0.00 Grant Requested: \$5,000.00

Provide a brief summary on the intended use of the grant and how the money would be used. (100 words or less)

The Rotary Club of Hilton Head Island Lowcountry Environmental Club is offering a Quench Buggy to the community. The 300 gallon water trailer carries filtered and cooled potable water to festivals, running events, community gatherings, and beachgoers for use in refillable water containers. With 6 dispensers on each side, Tourists/visitors/residents are encouraged to refill a water bottle rather than contribute to the overwhelming amount of plastic water bottles littering our island. Although these can be recycled, it is quite an effort to collect, transport, and process. Giving the tourists this alternative attests to HHI brand and care for the environment.

How does the organization/project/event either drive tourism to Hilton Head Island or enhance the visitor experience on Hilton Head Island? How is this impact being measured? (100 words or less)

This is a new initiative that is gaining traction in the South East. The only other municipality in SC utilizing this innovative method of plastic reduction to date is Greenville. The Charlotte, NC municipality has recently purchased 3 Quench Buggies. We would like to encourage visitors to care for the environment by reducing their footprint on the island. This is our environmental

heritage, and we will gauge recognition by measuring the gallons of water dispensed. This is easily equated to plastic water bottles (16 oz.) reducing single use plastic, one refill at a time. We will also incorporate a QR code for awareness/information associated with environmental initiatives on HHI.

A. Total Number of Physical Tourists Served: 300

A Tourist is considered a non-resident, traveling more than 50 miles to the Town of Hilton Head Island.

B. Total Number of Physical Visitors Served: 98

A Visitor is considered a non-resident, who travels 50 miles or less to visit the Town of Hilton Head Island.

C. Total Number of Physical Residents Served: 102

A Resident is considered any person who claims their property address within the limits of the Town of Hilton Head Island as their primary residence.

D. Total Number of Physical Patrons Served (A+B+C=D): 500

How was the Number of visitors documented? (250 words or less)

The Quench Buggy did not arrive until July 1 because of delays in parts and tariffs. The Rotary Club of HHI- Lowcountry Environmental Club initiated the first event at Keep the Broad Creed Clean Tuesday July 15 2025. In coordination with the Outside Foundation we tracked the attendees as they used the Quench Buggy. Outside Foundation handed out a refillable water sleeve in exchange for their emails and zipcodes. We also used a clicker to count the people refilling their bottles. Our next event is the Island Rec and Outside Foundation PaddleFest September 6th. We will have access to the registrants and the zipcodes as well as the spectactors and vounteers. The Quench Buggy is booked for almost every weekend in September and October. In addition to the recycling initiative on the island, it is important to reduce the volume of plastic for a more effective effort. There will be a very finite number to report based on gallons consumed and QR code scans when the Quench Buggy is featured and utilized. With PSD we want to promote the excellent rated potable water we have on our Island.

B. DESCRIPTION OF OPERATIONS:

1. For state reporting purposes, give a brief description of the organization. (250 words or less)

THE ROTARY CLUB OF HILTON HEAD ISLAND CHARITABLE FOUNDATION IS THE FUNDING ARM OF ALL OF

THE COMMUNITY PROJECTS AND CHARITABLE EFFORTS OF THE ROTARY CLUB OF HILTON HEAD ISLAND AND LOWCOUNTRY ENVIRONMENTAL CLUB. IT

PROVIDES A SIMPLE, TAX EFFICIENT WAY FOR EVERYONE - CLUB MEMBERS AND COMMUNITY MEMBERS, TO SUPPORT THE ONGOING EFFORTS TO PROVIDE HELP WHERE NEEDED AND IMPROVE OUR ISLAND HOME FOR ALL

2. Describe in detail how the requested grant funding would be used? (250 words or less)

The grant funding would be used to help purchase refillable water bottles to attendees at events where the Quench Buggy is used. Handing our refillable water allows Rotary volunteers an opportunity to interact with visitors, gather zip codes, and talk about the importance of reducing single use plastic water bottle on HHI. These refillable bottles and cups with have the HHI Chamber Logo on it and the Lowcountry Environmental Club. Plastic does not have a realistic recycling future. It is costly because of the many types of plastics that can't be mixed and the toxins that are released. Aluminum and stainless steel are "infinitely recyclable".

3. What impact would partial funding have on the activities, if full funding were not received? What would the organization change to account for partial funding? (100 words or less)

In the event of partial funding, Rotary Club of HHI's LEC would continue to fundraise for the purchase of refillable water bottles and cups through local grants and donations. Decreasing the effectiveness of having the Quench Buggy present at major community events. Distributing logo refillable water bottles sends a strong message about the importance of protecting the natural environment of HHI from plastic litter. Bottles signify Rotary HHI LEC's commitment to reduce plastic waste, a testament to our community's dedication to preserving the environment. We plan to have this hydration station including refillable water bottles, cups available at all major events promoting our island's potable water and influencing tourists to refill and reuse reducing single use plastic.&I

4. What is expected economic impact and benefit to the Island's tourism? (100 words or less)

The Chamber of Commerce reported ~2.8 million visitors to HHI in 2024. If each person consumed water from one single use plastic bottle, 3 million water bottles will arrive at the recycle center. A Town of HHI contractor has recently accepted the challenge of separating recyclables from the trash and willingness of residents to comply will gauge effectiveness of this costly effort. Unfortunately, many of these bottles will enter the landfill. Photos for online promotion through the Chamber and other organizations benefitting from the use of the Quench Buggy, will allow Ecotourists to notice the

environmental due diligence on HHI.

5. In order to comply with the State's Tourism Expenditure Reveiw Committee annual reporting requirements, please classify your current grant request into the following authorized categories:

Total:	100	%
7 - Operation of Visitor Information Centers Operating visitor information centers.	0	%
6 - Waterfront Erosion/Control/Repair Control and repair of waterfront erosion.	0	%
5 - Tourist Public Transportation Tourist shuttle transportation.	0	%
4 - Tourism-Related Public Services The criminal justice system, law enforcement, fire protection, solid waste collection and health facilities when required to serve tourists and tourist facilities. This is based on the estimated percentage of costs directly attributed to tourist. Also includes public facilities such as restrooms, dressing rooms, parks and parking lots.	100	%
3 - Tourism-Related Facilities Construction, maintenance and operation of facilities for civic and cultural activities including construction and maintenance of access and other nearby roads and utilities for the facilities.	0	%
2 - Tourism-Related Events Promotion of the arts and cultural events.	0	%
1 - Destination Advertising/Promotion Advertising and promotion of tourism so as to develop and increase tourist attendence through the generation of publicity.	0	%

6. If not covered elsewhere in the application, please describe (a) how the organization will collaborate with other organizations to enhance tourism efforts, and (b) provide a venue or service not otherwise available to visitors to the Town of Hilton Head Island. (250 words or less)

The Quench Buggy will be offered free of charge to other nonprofits for their events and offered to for-profit event specialists for a recommended donation or sponsorship to maintain the water trailer. There is no other vehicle on Hilton Head that can offer this service. Collaboration with the Chamber of Commerce and the Town of Hilton Head will benefit the branding effort for environmentally aware municipalities to attract ecotourism. As well, having a talking point using a refillable bottle, allows greater conversation promoting our Island's clean and potable water to our visitors. Environmental nonprofits such as Sea Turtle Patrol HHI, Outside Foundation, Audubon, etc. that support the reduction of single use plastic consumption will share in the promotion of the Quench Buggy through established social media channels.

The Quench Buggy and refillable water bottles and cups will be offered free of charge for

their events and offered to for-profit event specialists for a recommended donation or
sponsorship to maintain the water trailer.

7. Additional comments. (250 words or less)

The Quench Buggy could be considered a mobile FACILITY that offers hydration to tourists, a necessary element for survival in a warming environment. The refillable water bottles and cups provide a convenient way to not only help reduce single use plastic water bottle use but also to engage with visitors about the importance of reducing this common beach and waterway pollutant. The convenience of clean, cool water for refillable water containers and the message it conveys delivers a memorable and admirable impression for visitors to return home with. Using the categorization of RELATED PUBLIC SERVICE as the goal of Rotary of HHI, Lowcountry Environmental Club with this project is to impress upon millions of tourists their impact on the environment and an awareness of their footprint on HHI (Island shaped like a foot). This category also includes Facilities and Solid Waste Management per tourism. The cost of processing the impact of tourism increases each year and combining the environmental message with a feeling of participation in preserving the natural beauty of the island attracts an increasing population of environmentally minded visitors. Hilton Head Island with less trash is more beautiful than ever!

Quench Buggy

2. How were the ATAX fundsused? To what extent were the objectives achieved? The ATAX Effectiveness Measurement spreadsheet available in the application portal will show the numerics. Use the space below for verbal comments. (200 words or less)

The Rotary of Hilton Head Island Charitable Foundation purchased the Quench Buggy for \$72,100.00 and received it July 1, 2025. We our ojective has just begun to be achieved! We already have a booked most of this fall season for weekend events in 2025 and many more booked into the spring including but not limited to: Lowcountry PaddleFest, Hilton Head Symphony, Regatta at Coligny, Lantern Parade, Lowcountry Fish and Grit, Seafood Festival, Earth Day, June 19th, Blues and BBQ Mitchelville, Earth Day! We are working with the Chamber as they will be hosting the calendar requests.

This question will be easily quantified after a season with the Quench Buggy. Each plastic water bottle holds 16oz of water. The Quench Buggy will be monitored for gallons depleted. Programs such as "Fill it Forward" have caught the attention of the HHI Chamber or Commerce which is interested in supplying these logo/interactive water bottles that elevate their ecotourism initiative by incorporating an app. These bottles with our logo and our Island logo will accompany the Quench Buggy initiative and we anticipate equal excitement!

3. What impact did this have on the success of the organization/event and how did it benefit the community? (200 words or less)

The community will benefit from the Quench Buggy by reducing the amount of plastic that must be processed at the convenience center and undoubtably less trash visible in the public areas, particularly the beach. Rotary Club of Hilton Head Charitable Foundation is the funding arm for The Rotary Club of Hilton Head and the Rotary of Hilton Head Lowcountry Environmental Club

The Rotary Foundation is the one of the top 5 charitable foundations in the world. Rotary International which has over 1,200,000 members worldwide, has 7 areas of focus. The 7th focus is our Environment. Our Rotary Club of Hilton Head wanted to secure that focus by founding a satellite club that focused on the environment. Amber Kuehn, the founding chair, had a vision unite the various nonprofits on the island that focus on individual aspects of preserving our precious local environmental resources. You will recognize our members that are presenting ATAX applications for their own initiatives on the island. These leaders have come together to lean on the Rotary Club at large to amplify the initiatives that serve the community. The Quench Buggy reduces plastic possibly ingested by sea turtles and birds, reduces waste that can be seen floating in our waterways and rolling down the beach, and enhances the tourist experience and health requirement (hydration) in an ever-changing climate. Win, win

4. How does the organization measure the effectiveness of both the overall activity and of individual programs? (200 words or less)

Equating number of plastic water bottles eliminated, QR codes scanned, and social media visibility, the popularity and effectiveness of the Quench Buggy will be quantified. We will report events attended, water dispensed (equated to plastic reduction by measuring water volume), and interaction via social media through the Lowcountry Environmental Club Facebook analytics.

G. **EXECUTIVE SUMMARY**

Provide an executive summary using the "ATAX Effectiveness Measurement" form provided via the link on the left, or by utilizing the text area provided below to report uses of the organization's prior ATAX grant, if applicable. If you create your own format, please refer to the "ATAX Effectiveness Measurement" form and use the criteria as a guideline in developing your executive summary below. (1300 words or less)

Our previous ATAX grant from last fiscal year was 40,000. We raised the additional 31,000 to purchase the Quench Buggy from major donors i.e., Community Foundation of Lowcountry, Rotary Club of Hilton Head, Nature Conservancy, Outside Foundation, Sea Turtle Patrol, South Atlantic Bank, Keep Beaufort County Beautiful. Plus, an additional \$8838 from miscellaneous donors. We have a balance of approximately \$4739. Aprroximately \$2500 will to be used for 'wrapping' the Quench Buggy with the logos of the Town of Hilton Head, Community Foundation of the Lowcountry and Rotary. We are also incorporating a Fill It Forward QR code sponsored by the Chamber of Commerce of Hilton Head and Bluffton.

Measuring the effectiveness of the ATAX is quite clear when you review our schedule. We received the Quench Buggy July 1, 2025, later than expected. Delays in parts and tariffs kept the delivery date changing. Within weeks, logistics were developed to run the Quench Buggy so we could provide filtered cooled water to the attendees our first event; "Keep the Broad Creek Clean". We are now scheduled for the Lowcountry PaddleFest the weekend of September 5th and have booked the calendar for September and October as well as most of November with events. Plus, we have booked many events already for 2026! So measuring the effectiveness of the ATAX has been remarkable just by the fact we have already booked so many events for this year and even 2026! Our event calendar hasn't even gone "live"! The Lowcountry Environmental Club has received many inquiries and acolytes providing drinking water while reducing single plastic bottles. Such a great service to our tourists while supporting our environmental initiatives on our island.

We can easily fill out a ATAX Effectiveness Measurement next year once we have these events completed in 2025 and 2026. The possibilities are endless! We are encouraging local businesses to promote refillable water bottle or cup solutions as we tackle the never ending "plastic soup" that affects our waterways that surround us. Thank you for this opportunity to highlight our community's leadership in environmentally conscious decisions. Our beautiful surrounding habitats will thank us all.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Sincerely,

Dear Larry:

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your federal and state exempt organization returns from information which you will furnish to us. Please verify the data you submit, although it may be necessary to ask you for clarification of some of the information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, cancelled checks and other data that form the basis of these returns. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your tax returns does not include any procedures designed to discover defalcations and/or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the tax returns.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, please inform us by noting so at the end of the return copy of this letter.

Very truly yours,

Dear Larry:

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your federal and state exempt organization returns from information which you will furnish to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, cancelled checks and other data that form the basis of these returns. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your tax returns does not include any procedures designed to discover defalcations and/or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the tax returns.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, please inform us by noting so at the end of the return copy of this letter.
