Provide a brief summary on the intended use of the grant and how the money would be used. *(100 words or less)*

Annually, STPHHI adheres to state guidelines to ensure that all stranded sea turtles are documented and their nests are marked, monitored, and measued for success. It is also the mission of STPHHI to enhance environmental education/outreach, a priority for Hilton Head Island environmental branding. Human impact on the beach from a robust level of tourism is evident resulting in the need for increased efforts for awareness to preserve HHI beach, a nesting habitat. STPHHI has proven to be a sounding board for "saving sea turtles" based on the attention and interest of visitors with environmental concerns, an emerging universal topic.

How does the organization/project/event either drive tourism to Hilton Head Island or enhance the visitor experience on Hilton Head Island? How is this impact being measured? *(100 words or less)*

STPHHI has made great strides in emphasizing the importance of beach preservation for our most valuable natural resource and attraction. Our digital outreach continues to spread exponentially through National news channels (NBC), video production, Facebook, Instagram, newsletters, QR codes, and a hands on approach with attendance at turtle talks, public events, and promotional invitations. Clicks/attendance have been documented to gauge visitor

participation. Multiple media interviews with local news channels and magazines throughout the season are enumerated for this application. Continued collaboration with the HHI Chamber of Commerce has enhanced STPHHI's outreach.

A. Total Number of Physical Tourists Served: 9264
A Tourist is considered a non-resident, traveling more than 50 miles to the Town of Hilton Head Island.

B. Total Number of Physical Visitors Served: 1033
A Visitor is considered a non-resident, who travels 50 miles or less to visit the Town of Hilton Head Island.

C. Total Number of Physical Residents Served: 116
A Resident is considered any person who claims their property address within the limits of the Town of Hilton Head Island as their primary residence.

D. Total Number of Physical Patrons Served (A+B+C=D): 11436

How was the Number of visitors documented? *(250 words or less)*

Volunteers log and track visitor counts at all education events- (Physical #1-5). As our digital media following (#6-10) continues to grow, plans for a facility to host visitor reception/education will accommodate substancially more. This is enumerated in our 5 year strategic plan and a proposal is currently being considered.

1. Zip Codes and number in party are collected. The free weekly public turtle talk at Celebration Park continues to attract crowds of over 100 participants. The Westin, Marriott's Barony-Surfwatch-Grande Ocean-Monarch, Hilton Ocean Oak, OMNI, and Hilton with PD Cares also hosted weekly turtle talks for a total of 238 turtle talks at 9 locations, documenting 4,537 total turtle talk participants. *Individuals from Australia, Canada, England, Italy and Germany were identified.

2. STPHHI informed visitors during sea turtle nesting season with participation at 115 local events {Ex. Harborfest, "Put the Beach to Bed" at Beach House and Marriott's Barony Beach Club, HHI Community Market, Wine Down Wednesdays at Wexford, Loggerhead Loop, USA 5k, Keep the Broad Creek Clean Festival, Lantern Parade, Crescendo, and Concors de Elegance.

3. The Southeast Regional Sea Turtle Network Conference was held at the Westin HHI Resort and Spa in February 2025. The decision to choose this resort was influenced by association with the STPHHI Sea Turtle Friendly Certified Resort Program. This conference hosted 250 visitors with over 400 participants. The HHI Chamber of Commerce collaborative initiative "Fill it Forward" was launched at this conference.

4. QR Codes on signage, table cloths, flyers, Myrtle sculptures, and all of the beach vehicles digitally capture participant origin. A QR Code sticker was also produced and distributed. The QR code reach included 45 other states and 26 countries in 2025 to date (116% increase from 2024), resulting from 6,892 scans.

5. A new public program, "Put the Beach to Bed" was implemented by STPHHI from June - August. Two Sea Turtle Friendly Certified Resorts participated in this inaugural season. The

Marriotts Barony Beach Club Resort and Beach House Resort guests, as well as the general public, were invited to this free evening activity. A short, informational sea turtle presentation preceded sweeping the beach for trash and filling holes to provide a safe nesting habitat. The program participation resulted in 654 participants (to include 205 children) who removed 127 pounds of debris.

6. Marketing Reach Analysis: FB (2.3 million views with 238,300 likes/comments), Instagram (102,800 with 16,112 likes/comments), and TikTok (215,612 in 43 countries) reported- Total social media reach is 2,618,412 individuals to date in 2025.

7. www.SeaTurtlePatrolHHI.org has been visited by 22,465 unique visitors from all 50 states as well as 88 countries in 2025 to date, with an average viewing of over 3 minutes (Which is significantly higher than the nonprofit industry average of 2 minutes).

8. Digital monthly newsletter open rate is tracked, 88,560 emails (4,419 subscibers) with an open rate of 66%.

9. STPHHI videos are shown as a preview at cinemas, on Breeze trolleys, on resort channels, and was viewed on the STPHHI YouTube channel by 8,548 unique viewers and 22k impressions with over 60 hours of viewing.

10. Chamber reach is gauged on the frequent inclusion of sea turtle patrol in marketing efforts through the Vacation Guide, Podcasts, Chamber website and Social Media Posts. The Chamber's digital sea turtle pages had 7,288 sessions (above average viewing of 3m11s) and an engagement rate of 81.68% (above the site average of 60%)

B. **DESCRIPTION OF OPERATIONS:**

1. For state reporting purposes, give a brief description of the organization. *(250 words or less)*

Mission: Sea Turtle Patrol Hilton Head Island monitors Hilton Head Island beaches for sea turtle nesting and hatching activity annually, May through October, to promote the existence of these endangered species and to spread awareness of their struggle through public education and outreach.

STPHHI is the exclusive permit holder for SCDNR (South Carolina Department of Natural Resources) Marine Turtle Conservation Program on Hilton Head Island. Beyond monitoring requirements, efforts to reduce the negative human impact on HHI beach for the benefit of endangered sea turtles has enhanced the island's attractiveness for ecotourists and families interested in introducing their children to environmental stewardship.

2. Describe in detail how the requested grant funding would be used? *(250 words or less)*

With every marketing plan, promotion in the areas that were most effective in the previous plan are extended. Once again, digital participation data and physical data collection reveal that the effort vs. result with funds spent on social media and digital media (Ex. Video) to emphasize our message is most beneficial to our cause - Protecting our most valuable attraction and sea turtle nesting beach habitat for a successful sea turtle nesting season. As a result, our mission to protect endangered sea turtles is achieved as well as fostering a managable, purposeful, and enjoyable coexistence with tourists through education and outreach. We will continue to provide the "tools" necessary, such as providing scheduled turtle talks and encouraging public beach interactions during turtle patrol, campaigning for good environmental stewardship, building corporate relationships through Sea Turtle Friendly Certified Resorts, etc. As the Town of Hilton Head steadily works toward rebranding for Environment, encouraged by the Chamber of Commerce successes promoting ecotourism, we are eager to collaborate. As before, we are confident that as the island's "Unofficial Mascot", the loggerhead sea turtle will continue to enamor adults as well as their children. STPHHI will continue to enhance the education series and encourage children to become proponents of endangered sea turtles and beach preservation on Hilton Head Island. To increase our reach, we will also continue to educate members of the community to give them the information that they need to answer questions in the event that they interact with tourists.

3. What impact would partial funding have on the activities, if full funding were not received? What would the organization change to account for partial funding? *(100 words or less)*

STPHHI performs nest monitoring for the Town of HHI, which is required for beach renourishment permitting through a prerequisite called the Biological Review. Environmental awareness is amplified through the contribution of funding from ATAX to promote the welfare of sea turtles nesting on HHI. As a resort destination, sea turtle nesting beach habitat must be shared with tourists. We must inform and educate the public to assist in the success of our reporting, and ultimately the recovery of the endangered population of sea turtles. Without ATAX funding, digital marketing for visitor educational outreach would be significantly reduced.

4. What is expected economic impact and benefit to the Island's tourism? *(100 words or less)*

We are easily able to quantify our reach with digital media, the collection of zip codes at turtle talks,and by way of QR codes. ATAX funding allows us to emphasize these outlets of communication with videos and media that attract attention nationally and internationally. It is evident that sea turtles are a significant draw for the island's ecotourism. Hilton Head provides the largest nesting beach habitat in SC and is the most visited destination in Beaufort County. Our continued collaboration with the HHI Chamber

of Commerce will result in programs offered to cultivate the ecotourism agenda.

5. In order to comply with the State's Tourism Expenditure Reveiw Committee annual reporting requirements, **please classify your current grant request into the following authorized categories:**

1 - Destination Advertising/Promotion *Advertising and promotion of tourism so as to develop and increase tourist attendence through the generation of publicity.*	100 %
2 - Tourism-Related Events *Promotion of the arts and cultural events.*	0 %

6 - Waterfront Erosion/Control/Repair *Control and repair of waterfront erosion.*	0 %
7 - Operation of Visitor Information Centers *Operating visitor information centers.*	0 %
Total:	**100** %

6. If not covered elsewhere in the application, please describe (a) how the organization will collaborate with other organizations to enhance tourism efforts, and (b) provide a venue or service not otherwise available to visitors to the Town of Hilton Head Island. *(250 words or less)*

STPHHI is fortunate to have the opportunity to collaborate with several organizations on the island including the Chamber of Commerce which has been very instrumental in the incorporation of sea turtles in their marketing. USCB HHI/OLLI, Rotary Environmental Club/HHI Environmental Co-op (Quench Buggy), 11 Beachfront Hotels participating in the Sea turtle Friendly Certified Resort designation, and other non-profits such as Outside Foundation and HHI Audubon collaborations enhance HHI's environmental preservation. The Sandbox/Airport/Coligny hosts "Myrtle" sculptures, Culture HHI Poetry Trail, Art League annual "Halfway Home" event, and Island Rec Center's assistance with public turtle talks have aided in promoting our mission. The Town of HHI and SCDNR have benefitted from our success and opened doors by supporting the passage of ordinances to highlight guidelines for sea turtle protection. Beach Operations and Code Enforcement

presence has increased and a working relationship with Shore Beach Services has been nurtured. For-Profit businesses including various realtors/property management, Salty Dog, Coastal Provisions (SERG) and others have been a constant source of support.

7. Additional comments. *(250 words or less)*

2. How were the ATAX fundsused? To what extent were the objectives achieved? The ATAX Effectiveness Measurement spreadsheet available in the application portal will show the numerics. Use the space below for verbal comments. *(200 words or less)*

   For the DIGITAL category, we contribued the most funding to put a virtual reality series into production. Filming for this project is complete and will be offered as a learning experience to residents and tourists in 2026. To implement these virtual experiences, masks will be purchased. Other videos produced in 2024 will continue to be highlighted, as the message is timeless. These videos are proprietary, but are available on multiple platforms for public use to promote awareness and highlight HHI as a critical sea turtle nesting beach. Sharing a unique environmental experience with tourists visiting Hilton Head Beach is the goal for attracting a higher level of ecotourism.

   OUTREACH- A new website was finalized in 2025 with ATAX funding. The Nest Dedication program is conveyed through the website and there are currently 690 dedicated nests in 2025 before the Holiday Dedications have opened (NOV 1st 2025). Recent google analytics reveal that SeaTurtlePatrolHHI.org ranks #1 when searching sea turtles and HHI just ahead of the HHI Chamber of Commerce.

   SPECIAL PROJECTS/ONGOING EFFORTS-We continue to expand our awareness campaign with exhibits including 2 new sea turtle sculptures painted by local artists in 2025, placed at 2 new locations - Park Plaza Theater and USCB HHI (5 total).

3. What impact did this have on the success of the organization/event and how did it benefit the

community? *(200 words or less)*

Annually, our efforts benefit the community by keeping up with the due diligence of conservation of our island environment and endangered sea turtles nesting on our beaches. Our education outreach mission aims to encourage tourists and residents to participate in preservation efforts. STPHHI continues to gain visibility with the support of the Chamber of Commerce to introduce us to potential visitors to the island. Our portfolio of digital media is expanding and is incorporated where environmental branding efforts are needed. STPHHI in the Classroom - This spring over 400 elementary and 235 middle school students (HHI Elementary/IB and HHI Middle) dove into the world of sea turtles! Through hands-on lessons sligned with South Carolina education standards, students explored sea turtle adaptaiton, life cycles, beach habitat conservation, and even rescue and rehabilitation efforts. All curriculum was approved by the area school district coordinator. *Noteworthy: The STPHHI "project/event" is active throughout the year.

4. How does the organization measure the effectiveness of both the overall activity and of individual programs? *(200 words or less)*

While we measure our impact through visitor numbers from attendance at programs such as turtle talks, we know that our impact spreads much further. Our e-newsletter maintained a high open rate (59%) and was sent to 69,200 emails. Our volunteers encounter over 200 beach-goers daily, totaling approximately 35,000 visitors annually who see us in action expending 858 hours of volunteer effort from May 1st 2025 to date.. This exposure to our mission and goals is not measurable by traditional means, but is revealed in our online engagements, local press, public visibilty, and in the community involvement and interest that we attract. STPHHI media coverage, digital and print, is extensive: NBC Today Show (3), Post and Courier, Island Packet, Hitlon Head Sun, CH2 magazine, Local Life, Island Events, WJCL, WSAV (4), WHHI (3), WTOC (2),

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Addendum

HILTON HEAD ISLAND SEA TURTLE

ADDENDUM

If you have been in existence for at least three years and you have not filed a Form 990 return or notice for three consecutive years, you may soon receive a letter (Notice CP120A) that we automatically revoked your exempt status, as required by law, for failure to file a return or notice for three consecutive years. This letter will serve to reinstate your exempt status, so you will not need to re-apply. However, you may need to file the appropriate delinquent Forms 990 for all years you have operated as a tax-exempt organization.

Based on the information submitted in your application, we're treating your Form 1023-EZ as an application for reinstatement under Revenue Procedure 2014-11. Your effective date of exemption, as shown in the heading of this letter, is the submission date of your application.
