RE: **FY 2014 Financial Statements – Through October (4th period)**

General Overview

The attached financial statements represent the activity through October, the fourth month of the fiscal year. The financial recovery continues to improve and the Town's revenues reflect this positive trend.

The beginning fund balances have been updated to represent the latest available balances, but are unaudited and still subject to change.

Real-estate related revenues, namely Permitting and Real Estate Transfer fees, continue to increase as the economy improves.

Per the Island Packet on November 19, 2013:

“October sales of existing houses and condominiums marched ahead of September 2012 figures, continuing an upward trend, according to data released by S.C. Realtors.

In the Hilton Head Island area, sales rose by 11.7 percent, from 283 to 316 homes, and the Beaufort area's sales rose 13.6 percent, from 103 to 117 homes sold.

The Beaufort area's median sales price for the month dropped 6.3% to \$178,000, while the Hilton Head-area median price rose 6.3% to \$249,833.”

Revenue from tourism-related revenues such as local accommodations taxes, beach preservation fees, and hospitality taxes are improving as well. Overall, revenues from these sources are 7% higher than the previous fiscal year.

General Fund

Through October, the General Fund has received \$3.4 million or 10% of budgeted revenues and transfers in. The majority of property tax revenue will be received over the next few months and business license revenue will not be received until the end of the fiscal year. At October 31, total revenues and transfers in received to date are \$198,480 more than last fiscal year.

General Fund expenditures are \$1.6 million and 4% higher than last year in terms of actual dollars and percent of budget expended. Variances are reasonable (including timing) and are explained on the actual vs. budget statement. The Town paid some operating expenses earlier this year than last which will even out over the upcoming months. The General Fund's capital expenditures are as planned in the fiscal year budget; the Town incurred costs to upgrade a number of employee computers.

Dashboards

The General Fund dashboards have been expanded to include revenues and expenditures by month for fiscal year 2012, preliminary/unaudited data for fiscal year 2013, and balances to-date for fiscal year 2014. This expanded format allows for better comparison of results over an extended period of time.

Debt Service Fund

The expenditures recorded in the Debt Service Fund are related to the required prepayment of the full year's bond interest and principal payments funded by the Beach Preservation Fees as well as general obligation and certificate of participation debt service payments.

Capital Projects Fund

Summary balances for the Capital Project Fund are as follows:

	FY 2014
	Actual
Revenues	\$ 233,074
Capital Outlays	(1,802,846)
Transfers In/Out	767,845
Net Change in Fund Balance	<u>\$ (801,927)</u>

A decrease in fund balance is as anticipated due to the Town's planned draw of proceeds on bonds issued in prior years for projects continuing into this fiscal year.

Major projects/expenditures that occurred during the fiscal year are as follows:

- Island-wide beach renourishment \$242,799
- Intersection improvement at Hospital Center Blvd and Main Street \$77,219

The negative revenue in December of 2012 is attributable to suspended invoice billing associated with the implementation of new EMS Billing software. For several months beginning in February of 2013, revenues will be higher as staff catches up billing in the new software.

The negative revenue in June of 2013 is attributable to an increase in the estimated uncollectible EMS revenue. The increase is associated with the implementation of the new billing software and the phase-out of the old software, i.e. the "clean up" of the old records is responsible for the majority of this increase.
