

STRATEGIC ACTION PILLAR

REDEFINE ENVIRONMENTAL SUSTAINABILITY

We **love** our island environment, but are we really at the forefront of protecting our beautiful ecosystem?

Our adopted **Town Vision** directs us to **redefine** environmental sustainability, **create** a renewable energy framework, and **host** unique environmental ecosystem research.

Join us as we write **Our Plan** to share your ideas, expertise, or time to help make Hilton Head Island a world class example of a thriving

SUSTAINABILITY WAS
THE SINGLE HIGHEST
RATED VALUE BY OUR
COMMUNITY.

Find out what else the community values in the *Our Future* Vision and Strategic Action Plan Report.

Compass Rose Park, Town of Hilton Head Island

Our Plan links the efforts completed in the Town's Vision Project, *Our Future*, to the new comprehensive plan of Hilton Head Island.
