

STRATEGIC ACTION PILLAR

## EXPAND TO EMBRACE AN INTEGRATED REGIONAL FOCUS

Our greatest challenges will require significant collaboration. How can we become a strong regional partner?

Our adopted **Town Vision** directs us to **strengthen** the Bluffton connection, **embrace** the 'Arc of Innovation,' and **become** a regional player.

Join us as we write **Our Plan** to share your ideas, expertise, or time to help make Hilton Head Island a more collaborative neighbor.

Our neighbors are not our competitors, but our allies.

Find out what else the community values in the *Our Future* Vision and Strategic Action Plan Report.

*Our Plan* links the efforts completed in the Town's Vision Project, *Our Future*, to the new comprehensive plan of Hilton Head Island.
