In order to purchase a residential parking pass you must provide driver's license and vehicle registration.

Proof of District Residency or Property Ownership:

- 1.) SC Driver's License 2.) Deed or Lease 3.) Tax Bill 4.) SC Vehicle Registration 5.) Utility Bill

CONDITIONS:

- When an area has been designated as a permit parking district, each single-family residence or residential unit in the particular district shall be issued a permit for each registered vehicle entitling it to be parked in the restricted district.
- Annual residential parking permit is valid from January 1st thru December 31st of the year issued.
- No vehicle shall receive a permit for more than one permit parking district at a time.
- Permit can be used within two (2) blocks of the resident's address.
- Display of residential parking permit allows the decaled vehicle to be parked in the residential parking district for which it was issued.
- Permit is authorized only for the vehicle for which issued. **Transfer of permit decal to another vehicle invalidates the permit.**

I have read and understand the conditions under which this residential parking permit is issued.
